This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

+ *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.

+ *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.

+ *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.

+ *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

INTRODUCTION.

THE Proprietors of the Cemetery of Mount Auburn are presented with the sixth regular Catalogue, which it is hoped will be found to have made some approximation towards accuracy and completeness. So much new matter, important to all having an interest in the Cemetery, has claimed admission to the book, thus rendering the Catalogue but a part of it, that it has been thought practicable to adopt a different arrangement.

Accordingly the fundamental law of the Corporation is first introduced, followed by the By-Laws, which now, for the first time, — by the careful labor of the Trustees in collecting the scattered votes of a quarter of a century, and in pruning off and inserting new provisions — are thrown into a Code. In this code new and old enactments are so closely interwoven, that it would be difficult to remark particularly upon its *new* features, while such service is rendered impracticable by its systematic arrangement. New wants will, it is not unlikely, require further provisions; but it is thought that present wants are amply met.

No material change has been made in the Regulations for Admission, which are contained in Art. 27, and in Appendix D.

The legal forms presented in Appendix C, are the same as heretofore in use.

To the usual form of conveyance of land, a new covenant has been added, growing out of the plan recently proposed and adopted to secure a fund for the perpetual care and preservation of the Cemetery, in effect pledging the good faith of the Corporation in every sale made, to the steady accumulation of said fund.

The very able Report by the Committee, unfolding the above mentioned plan, which, it should be added, received the approval of several most eminent lawyers, may be found upon the 34th page,

and will well repay a careful perusal on the part of proprietors, among whom the subject has already excited a deep interest.

A new form of conveyance has been added for the *intermediate spaces between lots.*

In pursuance of a requirement in the By-Laws, a list of the lots, the repair of which has been contracted for by the Corporation, is here published, together with the names of the proprietors, and the sums respectively devoted to that purpose.

The Catalogue of proprietors and their lots, has been prepared with much labor and care, the numerical and alphabetical parts have been very diligently compared to insure a correspondence, and the plan of lots and the grounds has been thoroughly revised. By perseverance, many errors in former editions have been corrected, in regard to some of which no ready means of information were presented. Some errors, in the nature of things, can hardly become known, until the occurrence of some accident; among these, for example, is the discrepancy between the actual and the recorded location of a lot, which, it is supposed, has generally arisen from a change of location, after the original selection was reported. Few such errors, however, have occurred, and it is believed that very few, if any, will hereafter be found to exist.

The upper portion of Garden Pond, together with the old house and out buildings, formerly used by the Superintendent, have been effaced from the plan; and it will be seen that a large and very desirable range, extending from Central Avenue to the easterly line, and embracing the whole north eastern portion of the Cemetery, will, in due time, be opened for occupation. The removal of the hill near the gate, which has been nearly effected, will enlarge the view from without, and add to the beauty of the Cemetery.

Another new feature of the Catalogue, to which much time and labor have been devoted, is the publication of a large list of representatives of lots of deceased proprietors. It was found that between three and four hundred of the names upon the Catalogue were those of deceased proprietors, whose heirs or devisees, in most cases, had no voice or vote in the doings of the corporation, and no one, of course, to exercise legal control over their respective lots. It was considered that the Catalogue should contain, so far as possible, an accurate list of proprietors, and the legal

representatives of deceased proprietors, so that it might easily be known upon inspection who are members of the Corporation. Many votes offered at the last annual meeting were thrown out, because offered by persons who had not, in compliance with the Charter, been designated to represent the lots of deceased proprietors.

With this notice, and after the efforts that have been made to apprize all such of their privileges, it is hoped that none will be disfranchised through their own ignorance or inattention.

A list of the few persons who have the right to locate lots, is found at the end of the numerical Catalogue.

As an item of historic interest, there is presented (see page 13,) a tabular view of the officers since the commencement of the Cemetery. For the first four years, Mount Auburn was under the direction of "the Garden and Cemetery Committee," a board of nine gentlemen elected annually by the Massachusetts Horticultural Society. Since the present Corporation assumed the control, the practice has been, till the last two years, to choose nine Trustees, under a Charter, which allows "not less than seven nor more than twelve." For two years twelve have been chosen.

With these observations, it is deemed proper to conclude with some suggestions—which will probably here receive greater publicity among the Proprietors than through any other medium—under the head of

MEMORANDA FOR PROPRIETORS.

TRANSFERS.

The *Records of the Corporation* are the only evidence of the title of a proprietor *recognized by* the Corporation. Consequently when a person receives a lot by *transfer* from a proprietor, he should send his deed at once to the office of the Secretary for record. This suggestion would almost seem unnecessary; but experience has proved it otherwise, since the record of such transfers has sometimes been neglected for years, and sometimes the deed has been sent to the County Registry for record.

TRANSFER BY WILL.

The foregoing remarks are also applicable to lots devised to any person. The certified copy of the will containing any such devise, should be exhibited to the Secretary, and the proper extract from the same, with the necessary certificate, will be recorded upon a book prepared for this purpose, and reference will be made thereto upon the original record. It matters not whether such devise is expressed in such *general* terms as are often contained in the residuary clause, or whether the *lot is specifically mentioned.* While the former course is very frequent, the latter is the better one. But, in *either* case, the record should be made.

Persons in *disposing* of their lots by will, should bear in mind that, as by the Charter there can be but *one* proprietor of a lot, a devise of it to *more than one* person cannot be recognized by the Corporation. If the design is to transmit it to more than one, the better way is to devise it to one as trustee.

SOLE HEIR AT LAW.

By reference to the 8th Section of the Charter, and to the 19th By-Law, it will be seen that provision is made for any one who claims to be the *sole* heir at law of a proprietor, to assert his title to a lot. After making the affidavit required, he will be regarded as having *presumptive* title, and will be treated as the proprietor till the contrary shall be made to appear.

REPRESENTATIVE OF A DECEASED PROPRIETOR.

Section 8th of the Charter, and Articles 15th and 19th of the By-Laws, indicate the importance of giving attention to this matter. The need of such representative results from the provision of the Charter that a lot can have but one proprietor. Consequently, upon his death, whenever it may fall by devise or inheritance to *several* persons, provision is made for *one* of them to step into the place of such proprietor, and exercise the legal control of the lot during the continuance of his appointment, which is revocable, and may last for his lifetime, or may be superseded at any time, as circumstances shall require. Of course, therefore, no heir or devisee parts with any title which he may have, by reason of such

appointment of his co-heir or devisee. It is the practice of the Trustees to appoint such representative upon the petition of the parties in interest, in which the person deemed by them most suitable or desirable is nominated. Such person may be the husband or the widow of the deceased, or either of the children of proper age, the guardian of minor children, or a trustee under the will — preference generally being given, however, to a person resident in this vicinity, or to the one residing *nearest* to the Cemetery.

A blank for such petition may always be had upon application to the Secretary, who will furnish any requisite information upon the subject.

CARE OF LOTS.

A book is kept at the Superintendent's office, at the Cemetery, in which are entered all orders for the care of lots. Proprietors should be particular to specify what care they desire to be devoted to their lots, and, so far as is possible, contract for a fixed price. All orders thus given will be regarded as in force until revoked. They need not be renewed from year to year. It is desirable that they should be in writing.

ERRORS AND CHANGES IN THE CATALOGUE.

Whenever any errors are noticed in the Catalogue or plan, in the names of proprietors, or the number or location of their lots, or when they desire a change of residence to be entered, notice should be given at once to the Secretary.

SECTION 1. Be it enacted by the Senate and House of Representatives, in General Court assembled, and by the authority of the same, That Joseph Story, John Davis, Jacob Bigelow, Isaac Parker, George Bond, and Charles P. Curtis, together with such other persons as are proprietors of lots in the Cemetery at Mount Auburn, in the towns of Cambridge and Watertown, in the County of Middlesex, and who shall in writing signify their assent to this Act, their successors and assigns, be and they hereby are created a Corporation, by the name of the Proprietors of the Cemetery of Mount Auburn, and they shall have all the powers and privileges contained in the statute of the year one thousand eight hundred and thirty-three, chapter eighty-three.

value fifty thousand dollars, to be applied to purposes connected with and appropriate to the objects of said establishment.

SECTION 3. Be it further enacted, that all persons who shall hereafter become proprietors of lots in said Cemetery, of a size not less, each, than three hundred square feet, shall thereby become members of the said Corporation.

The Trustees shall be elected annually, at the annual meeting, and shall hold their offices until others are chosen. And they shall choose one of their number to be President, who shall be also President of the Corporation; and they shall also choose the Secretary and Treasurer, either from their own body or at large. And the said Trustees shall have the general management, superintendence and care of the property, expenditures, business and prudential concerns of the Corporation, and of the sales of lots in the said Cemetery, and they shall make a report of their doings to the Corporation at their annual meeting. The Treasurer shall give bonds for the faithful discharge of the duties of his office, and shall have the superintendence and management of the fiscal concerns of the Corporation, subject to the revision and control of the Trustees, to whom he shall make an annual report, which shall be laid before the Corporation at their annual meeting. And the Secretary shall be under oath for the faithful performance of the duties of his office, and shall record the doings at all meetings of the Corporation and of the Trustees.

SECTION 5. Be it further enacted, That the annual meetings of said Corporation shall be holden at such time and place as the by-laws shall direct, and the Secretary shall give notice thereof in one or more newspapers, printed in Boston, seven days at least before the time of meeting. And special meetings may be called by the Trustees in the same manner, unless oth-

erwise directed by the by-laws; or by the Secretary, in the same manner, upon the written request of twenty members of the Corporation. At all meetings, a quorum for business shall consist of not less than seven members; and any business may be transacted, of which notice shall be given in the advertisements for the meeting, and all questions shall be decided by a majority of the members present, and voting either in person or by proxy.

SECTION 6. Be it further enacted, That as soon as the said Corporation shall have received from the Massachusetts Horticultural Society a legal conveyance of the said Garden and Cemetery at Mount Auburn, the Massachusetts Horticultural Society shall cease to have any rights, powers and authorities over the same; and all the rights, powers and authorities, trusts, immunities and privileges conferred upon the said Society, and upon the proprietors of lots in the said Cemetery in and by virtue of the first section of the statute of the year one thousand eight hundred and thirty-one, chapter sixty-nine, shall he transferred to and exercised by the Corporation created by this Act; and the same shall, to all intents and purposes, apply to the said Corporation, and all proprietors of lots in the said Cemetery, with the same force and effect as if the same were herein specially enacted, and the said Corporation substituted for the Massachusetts Horticultural Society hereby.

SECTION 7. Be it further enacted, That any person who shall willfully destroy, mutilate, deface, injure or remove any tomb, monument, grave-stone or other structure placed in the Cemetery aforesaid, or any fence, railing or other work for the protection or ornament of any tomb, monument, grave-stone or other structure aforesaid, or of any cemetery lot, within the limits of the Garden and Cemetery aforesaid, or shall willfully destroy, remove, cut, break or injure any tree, shrub or plant within the limits of the said Garden and Cemetery, or shall shoot or discharge any gun or other firearm within the said lim-

its, shall be deemed guilty of a misdemeanor, and shall, upon conviction thereof before any Justice of the Peace, or other court of competent jurisdiction within the county of Middlesex, be punished by a fine not less than Five Dollars nor more than Fifty Dollars, according to the nature and aggravation of the offence; and such offender shall also be liable, in an action of trespass, to be brought against him in any court of competent jurisdiction, in the name of the Proprietors of the Cemetery of Mount Auburn, to pay all such damages as shall have been occasioned by his unlawful act or acts; which money, when recovered, shall be applied by the said Corporation, under the direction of the Board of Trustees, to the reparation and restoration of the property destroyed or injured as above, and members of the said Corporation shall be competent witnesses in such suits.

Section 8. Be it further enacted, That the lots in said Cemetery shall be indivisible; and upon the death of any proprietor of any lot in the said Cemetery containing not less than three hundred square feet, the devisee of such lot, or the heir at law, as the case may be, shall be entitled to all the privileges of membership as aforesaid; and if there be more than one devisee or heir at law of each lot, the board of Trustees for the time being shall designate which of the said devisees or heirs at law shall represent the said lot, and vote in the meetings of the Corporation; — which designation shall continue in force, until by death, removal or other efficient cause, another designation shall become necessary; and, in making such designation the Trustees shall, as far as they conveniently may, give the preference to males over females, and to proximity of blood and priority of age, having due regard, however, to proximity of residence.

Section 9. Be it further enacted, That it shall be lawful for the said Corporation to take and hold any grant, donation or bequest of property, upon trust, to apply the income thereof, under the direction of the board of Trustees, for the improve-

ment or embellishment of the said Cemetery or of the Garden adjacent thereto, or of any buildings, structures or fences erected or being erected upon the lands of the said Corporation, or of any individual proprietor of a lot in the Cemetery, or for the repair, preservation, or renewal of any tomb, monument, gravestone, fence or railing, or other erection in or around any Cemetery lot, or for the planting and cultivation of trees, shrubs, flowers, or plants in or around any Cemetery lot, according to the terms of such grant, donation or bequest; and the Supreme Judicial Court in this Commonwealth, or any other court therein having equity jurisdiction, shall have full power and jurisdiction, to compel the due performance of the said trusts, or any of them, upon a bill filed by a proprietor of any lot in the said Cemetery for that purpose.

Section 10. Be it further enacted as follows: First, That the present proprietors of lots in the said Cemetery, who shall become members of the Corporation created by this Act, shall henceforth cease to be members of the said Horticultural Society, so far as their membership therein depends on their being proprietors of lots in the said Cemetery. Secondly, That the sales of the Cemetery lots shall continue to be made as fast as it is practicable by the Corporation created by this Act, at a price not less than the sum of sixty dollars for every lot containing three hundred square feet, and so in proportion for any greater or less quantity, unless the said Horticultural Society and the Corporation created by this Act, shall mutually agree to sell the same at a less price. Thirdly, That the proceeds of the first sales of such lots, after deducting the annual expenses of the Cemetery establishment, shall be applied to the extinguishment of the present debts due by the said Horticultural Society on account of the said Garden and Cemetery. And after the extinguishment of the said debts, the balance of the said proceeds, and proceeds of all future sales, shall annually, on the first Monday of every year, be divided between the said

Horticultural Society and the Corporation created by this Act, in manner following, namely: — Fourteen hundred dollars shall be first deducted from the gross proceeds of the sales of lots during the preceding year, for the purpose of defraying the Superintendent's salary and other incidental expenses of the Cemetery establishment; and the residue of the said gross proceeds shall be divided between the said Horticultural Society and the Corporation created by this Act, as follows, namely: one-fourth part thereof shall be received by and paid over to the said Horticultural Society, on the first Monday of January of every year, and the remaining three-fourth parts shall be detained and held by the Corporation created by this Act, to their own use forever. And if the sales of any year shall be less than fourteen hundred dollars, then the deficiency shall be a charge on the sales of the succeeding year or years. Fourthly, The money so received by the said Horticultural Society shall be forever devoted and applied by the said Society to the purposes of an experimental garden, and to promote the art and science of Horticulture, and for no other purpose. And the money so retained by the Corporation created by this Act, shall be forever devoted and applied to the preservation, improvement, embellishment and enlargement of the said Cemetery and Garden, and the incidental expenses thereof, and for no other purpose whatsoever. Fifthly, a Committee of the said Horticultural Society, duly appointed for this purpose, shall, on the first Monday of January of every year, have a right to inspect and examine the books and accounts of the Treasurer, or other officer acting as Treasurer of the Corporation created by this Act, as far as may be necessary to ascertain the sales of lots of the preceding year.

Section 11. Be it further enacted, That any three or more of the persons named in this Act shall have authority to call the first meeting of the said Corporation, by an advertisement in one or more newspapers, printed in the City of Boston, seven days,

at least, before the time of holding such meeting, and specifying the time and place thereof. And all proprietors of lots, who shall before, at or during the time of holding such meeting, by writing, assent to this Act, shall be entitled to vote in person or by proxy at the said first meeting. And at any such meeting or any such adjournment thereof, any elections may be had, and any business done, which are herein authorized to be had and done at an annual meeting, although the same may not be specified in the notice for the said meeting. And the first Board of Trustees, chosen at the said meeting, shall continue in office until the annual meeting of the said Corporation next ensuing their choice, and until another Board are chosen in their stead, in pursuance of this Act.

SECTION 12. Be it further enacted, That the said Cemetery shall be and hereby is declared exempted from all public taxes, so long as the same shall remain dedicated to the purposes of a Cemetery.

I certify the foregoing to be a true copy of the original Act.
WM. TUFTS,
Deputy Secretary of the Commonwealth.

At a meeting of the Trustees, on the 7th of July, 1856, the President, (Dr. Bigelow,) and Messrs. Crocker and Nazro were chosen a Committee to prepare, arrange and submit, in such form as they should deem advisable, all rules and standing votes of the Corporation and Trustees; and, on the 3d of November, they presented the following Report, and a Code of By-Laws, which, after several meetings of the Trustees, for the consideration of the same, and the adoption of various amendments, were passed as a whole, January 5th, 1857, to which one or two additions have since been made.

The Committee appointed to prepare a Code of By-Laws respectfully Report:—

That with the assistance of the Secretary they have examined the records of the Corporation and Trustees, and have selected therefrom such standing votes as appeared to them to require incorporation into the proposed code of By-Laws. They have endeavored to arrange, condense and simplify said votes so as to make them intelligible and convenient of reference. They have omitted some things which appeared to them superfluous, and have introduced others which they considered essential to the connection and completeness of the code.

If the code now reported shall be adopted, they recommend that all previous votes incompatible with the provisions of said code, or with the Act of Incorporation, shall be repealed, and that a copy of the new code shall be printed with the next edition of the Catalogue.

The land left vacant as intermediate space between lots in Mount Auburn, and not exceeding ten feet in width between any two lots, may be sold to the nearest lot holder or holders, at one third of the selling prices per foot at the time of said sale, with the condition that said land shall forever be kept open and without interments: provided that, if the Committee on lots

deem it inexpedient in any special case to make such sale, the question may be submitted to the Board of Trustees.

The price of a full lot, until otherwise ordered, shall be one hundred and fifty dollars, or fifty cents per square foot. Enlarged lots, small lots, and land additional to lots, will be sold at a corresponding rate per foot. Choice lots in such places as the Trustees may designate, will be held at an advanced price.

The Secretary, on receiving the Treasurer's order for the deed of said lot, shall make, record, and return said deed to the Treasurer, who will deliver the same to the purchaser, upon his presenting the certificate, and receipting for said deed. In any doubtful case the Secretary or Treasurer shall ask instruction from the Trustees before executing a deed.

The Secretary shall receive the affidavit of any person who shall claim to be the sole heir at law of the deceased proprietor of any lot, in which the material facts necessary to support such claim shall be set forth, and he shall file the same with the papers of the corporation, with proper reference thereto, upon the margin of the original record.

When the devisees or heirs at law of any deceased proprietor, or the guardian or trustee of such persons being infants, shall desire the appointment of a person to represent the lot owned in common by them, written application to the Trustees shall be made by them, in that behalf.

PLANS AND PORTFOLIOS.

ART. 20. A large map or plan of the Cemetery shall be kept at the Secretary's office, and a duplicate of the same at the Superintendent's office. On these shall be entered, under the direction of the Committee on Lots, by a surveyor to be from time to time designated by them, all avenues and paths duly named, and all lots sold or laid out by the Corporation duly numbered. If any avenue, path or lot shall be given up, altered or removed by the Trustees, a corresponding alteration shall be made in the plan.

The Secretary shall procure and keep one or more portfolios, in which he shall insert such plans as proprietors may respectively procure to be made of their lots, such plans to be drawn by a surveyor approved by the Trustees, on paper of uniform size, which shall be furnished by the Secretary, and no plans shall be introduced into the portfolio unless they shall have been examined and approved by the Committee on Lots, or a majority of them, and certified by the Superintendent to be correct. Proprietors shall pay the expense of their own plans, and one dollar to the Secretary for examining and introducing the same into the portfolio and placing the name in the index.

ART. 21. Trees standing within lots can be removed, if desired, by an application from the proprietor to the Superintendent, subject to the approval of the Committee on Grounds. RECEIVING TOMBS.

ART. 23. Bodies may be deposited in the receiving tombs on payment of fifteen dollars to the Superintendent. But if within four months after interment, the deposited body shall be removed to any part of Mount Auburn, ten dollars of the above sum shall be refunded, otherwise the whole fifteen dollars shall be forfeited to the Corporation; and the Superintendent shall remove the body to such place as shall be directed by the Committee on Grounds. But the friends or relatives, with the consent of the Superintendent, and in a legal way, may, at their own expense, remove said body from the Cemetery.

MONUMENTS, STONES, FENCES, ETC.

ART. 24. Proprietors have the right to erect on their lots, fences, monuments, and stones, of appropriate character. Wooden fences and grave-stones of slate are not permitted. Live hedges of small or moderate size are allowed.

APPROPRIATIONS.

ART. 25. No appropriation of money exceeding one thousand dollars for any one object, unless it be for the liquidation of a debt previously existing, shall be made by the Trustees, except at a meeting at least seven days subsequent to the meeting in which the said appropriation has been moved; whereof special notice shall have been given.

REPAIR FUND.

ART. 26. The Trustees will receive in trust from any proprietor, a sum of money not less than one hundred dollars, the

income of which shall be appropriated to the repair of his lot, according to the terms of trust given in Appendix B.

The Trustees may also *guarantee* the perpetual repair of lots, on the payment to the Treasurer of a sum not less than three hundred dollars, according to the terms of trust given in Appendix C. In this case, if the Repair Fund should ever be lost, the whole property of the Corporation is held for the perpetual repair of such lots.

All monies received from proprietors, for the purpose of keeping lots in repair, shall collectively constitute a separate fund, to be called the "Repair Fund," and shall be kept invested, under the direction of the Committee on Finance, in some public stock of this State, or of the National Government, or in the stock of some bank or banks of this State, or in some personal notes or obligations of private persons, secured by a satisfactory collateral pledge, or mortgage on interest.

Each lot, in relation to which such contract shall have been made, shall be credited in a book kept for the purpose, with the principal sum given on account of said lot, and at the close of each year, a ratable proportion of the net income of the whole repair fund, less one half per cent., shall be carried to the credit of each lot, and the proper entries made accordingly.

The Treasurer shall keep the Superintendent constantly informed as to all lots which the Corporation have agreed to keep in repair, and shall also state the sums paid by the proprietors as consideration for such agreements.

A list of the lots, the repair of which has been contracted for by the Corporation, shall be published in each edition of the Catalogue of Proprietors, together with the names of the present owners, and the sums respectively paid on said lots.

ADMITTANCE.

ART. 27. The Secretary shall furnish to each proprietor who may request it, a ticket, entitling him and his household to drive with a carriage into the Cemetery. These tickets are not transferable.

In all cases where the Secretary is satisfied, by a written petition to the Trustees, that the heirs or devisees in common of any lot have agreed upon any one person to represent the same, he may issue the ticket for such lot to the person designated in such petition as representative of such lot, to remain good until the further action of the Board. The petition, however, shall be presented, with notice of the Secretary's action, at the next meeting of the Trustees.

The Secretary is authorized to issue more than one ticket upon one lot, where he is satisfied that two or more persons are actual owners of a lot in fact, though the title is in the name of one only.

The Secretary is authorized to replace tickets which he is satisfied are actually lost. But if the lost ticket is found, the duplicate shall be returned to the Secretary.

Strangers from a distance, also persons having business in the Cemetery, may be admitted with carriages on presenting a note or ticket of admission signed by a Trustee or by the Secretary or Treasurer. The Trustees, however, may from time to time pass such votes for the admission of strangers and other non-proprietors, and under such regulations as they may deem expedient.

The rules and regulations concerning visitors to the Cemetery shall be as given in Appendix D, until otherwise ordered by the Trustees.

ART. 28. Early notice of funerals should be given to the Superintendent on the ground at Mount Auburn. When a funeral arrives, a person will be in readiness at the gate to conduct the procession to the place of interment. If military funerals on foot or on horseback are admitted, no music nor firing of volleys will be allowed within the Cemetery.

ALTERATIONS OF BY-LAWS.

ART. 29. No alteration nor addition shall be made in any of the By-laws, unless the proposed alteration or addition shall have been submitted to the Trustees at a meeting at least seven days previous to the meeting at which it is to be acted upon.

OF THE COMMITTEE UPON THE ACCUMULATING FUND FOR THE PRESERVATION OF THE CEMETERY.

This Committee, consisting of Messrs. Curtis, Little and Nazro, were originally appointed in April, 1856, and a plan was reported by a majority of the Committee in January, 1857, and the same was adopted.

At the meeting in February following, the whole subject was re-opened for the purpose of making some more effectual provision to ensure the safety of said fund, and was referred to the same Committee in the following terms: "To consider and report upon a plan for securing the preservation and continuance of the fund which has been ordered to be established, for the perpetual care and preservation of the Cemetery and its appurtenances; and also to report such regulations for the investment and use of the said fund as they may deem expedient."

A report, with the orders accompanying, was presented by a majority of the Committee, April 6, 1857, and on the same day was adopted by the Board of Trustees, and is as follows:

The undersigned, the majority of the Committee appointed to report a plan for ensuring the preservation and continuance of the accumulating fund, have considered the subject and ask leave to report:

That they find that the establishment of the said fund is an act generally received with favor by the proprietors whom they have conferred with; and they have no doubt that it will be universally approved, when it is known that by it the future prosperity of the Cemetery will be secured. With a view to this end, your Committee have taken into consideration the

means of securing the *perpetual preservation* of this safety fund; and after consulting some of the most sagacious proprietors, they have come to the conclusion to recommend the adoption of an order by the Trustees,— that in all the deeds of lots which shall hereafter be issued, there be inserted a covenant, that this fund shall be increased by yearly additions and by the accumulation of the interest, until it reaches the sum of one hundred and fifty thousand dollars; when the interest, and that alone, may be applied, if the wants of the corporation require it, to the payment of the expenses of the Cemetery. If the Trustees in office at that time shall not need the income of this fund for expenses, they can, if they see fit, permit it to accumulate still longer.

In order to carry this design into effect, it will be expedient to amend the proposition adopted January 5th, 1857, by providing, that instead of placing the income at the disposal of the officers, at the end of *twenty* years, it shall not be made use of until the accumulated capital shall amount to the sum before mentioned, namely, one hundred and fifty thousand dollars.

With these views, your Committee recommend the passage of the following orders.

CHARLES P. CURTIS,
CHARLES C. LITTLE.

It is ordered, by the Trustees of the Cemetery of Mount Auburn, that in the month of December of each year, the Treasurer of the Proprietors of the Cemetery of Mount Auburn shall deposit with the Massachusetts Hospital Life Insurance Company, if they will receive it on as favorable conditions as other deposits, in trust for the said Proprietors, a sum equal to one *fifth* part of the gross proceeds of the lots and parts of lots and intermediate spaces between lots, which shall have been sold subsequently to the first day of December, in the year preceding; the interest of which sums shall, annually or oftener,

be added to the capital, for the purpose and upon the principle of accumulation, until the whole of said deposits, with the accumulated interest, shall amount to one hundred and fifty thousand dollars.

And when the said fund shall have amounted to the sum of one hundred and fifty thousand dollars, it shall be lawful for the Trustees, if they see fit, to withdraw the income thereof, and appropriate the same to the care, preservation, and keeping in order of the Cemetery and its appurtenances, to the payment of the salaries, and to the other necessary expenses of the institution; and by vote of *four-fifths* of the Trustees for the time being, they may withdraw, from time to time, the principal of the said fund, and invest the same as hereinafter is prescribed.

If, at any time, the Trustees shall deem the Massachusetts Hospital Life Insurance Company to be an *unsafe place of deposit* of the said fund, and shall, by a vote of a majority of all the members of the board so declare of record, the said fund may be withdrawn from the custody of the said Insurance Company, as soon as by the conditions of the deposit it may be, and shall then be invested in the name of the Proprietors of the Cemetery of Mount Auburn, upon the same trusts, in the public debt of the United States, or in that of the State of Massachusetts, or in the debt of the City of Boston, or the City of Charlestown, or the City of Roxbury, or the City of Cambridge, or in mortgages of real estate in Boston: provided that no mortgage shall be taken for a sum exceeding two-thirds of the value of the estate as it stands, when taken, on the valuation books of the assessors of the city taxes; nor for a period exceeding five years; nor in which the interest shall not be payable as often as annually; to which shall be added insurance against fire by some competent insurance company in Boston, for the amount of the loan, or such proportion thereof as the value of the buildings on the land shall enable the owner to obtain; which insurance shall be renewed from time to time at the expense of the mortgagor and

his assigns, and shall be payable, in case of loss, to the Trustees of the Cemetery of Mount Auburn.

It is ordered, that in all the deeds which shall hereafter be issued, to the purchasers of lots, parts of lots, or other parcels of land in the Cemetery, the following covenant shall be inserted:

"And the said Proprietors of the Cemetery of Mount Auburn further covenant to and with the said · heirs and assigns, that the Provisions of an order passed by the Trustees of this Corporation, on the sixth day of April, in the year eighteen hundred and fifty-seven, (which is made part of this covenant, as if herein repeated,) for the establishment and security of a fund for the preservation of the Cemetery and its appurtenances, shall be forever kept, observed, and performed by the said Corporation."

N. B. — Lots not otherwise designated, contain 300 square feet. When no place of residence is given with the name of the proprietor, it generally indicates that such residence is, or was when the deed issued, at Boston; but, not unfrequently, the residence is omitted because it has *never been known*, the proprietor having received his lot from another person, by a transfer which did not set forth the place of residence of the purchaser.

NAMES OF PROPRIETORS,

ALPHABETICALLY ARRANGED.

An asterisk * indicates that the person has deceased.

Where different proprietors bear the same name, they are to be distinguished by the addition of their respective residences, or the location of their lots. Lots of deceased proprietors, to which representatives have been appointed, may be found under either the name of the deceased proprietor, or of the representative. So, lots belonging to aggregate bodies which are represented, are indexed twice.

A zero (0) indicates that the proprietor has not yet located a lot.
